The EPA has requested to have a conference call to discuss the Fruitvale Aquifer Exemption. Currently, the EPA is reviewing Alon Refinery's aquifer exemption and would like to discuss how it overlaps with the Fruitvale oil field aquifer exemption.

At the EPA's request, Division representative Matt Van Grinsven will email cross sections and a map of the proposed exemption area to all the contacts listed in this email by Friday, February 12<sup>th</sup>. Please note the aquifer exemption is in progress and the maps/cross sections are in the preliminary stages.
